Environmental Youth Speak

This year we entered in a competition for public speaking. All P7's had to make up a speech about food waste. The top 6 from P7 presented their speech in front of P5, P6 and P7. Éadaoin Trainor was chosen to represent our school in

Downpatrick. She performed brilliantly and came 2nd out of 50 people. This was the first time our school took part in this event. Well done Éadaoin and everyone else who took part!

Cycling Proficiency

During March, April and May some P7 students took part in Cycling Proficiency training afterschool. The boys and girls had to put in a lot of time and effort in order to prepare for their written and practical tests. Everyone completed their exam and certificates and badges were presented to the pupils during the month of June. The students would like to thank Mrs Orlandi, Mr McShane and Mr Byrne for organizing this activity and braving the elements to allow them time to practice.

Goodbye

Unfortunately it has come to the time for the P7's to move onto a new school. They have spent a large part of their lives so far in our school and therefore know it like the back of their hand. We wish them the best of luck as they move on to the next stage of their lives and hope that they have many happy memories of our school. We also wish Mr McKee and other staff who are leaving or have left this year the best of luck for the future!

Football Blitzes

This term was very busy and successful with football blitzes. Mr McKee arranged after school Gaelic with Aileen McGuinness, a coach that comes to our school. We recently took part in the Thomas Mallon Memorial Cup in Killeavy GAC, which we won against St Joseph's Meigh PS in the finals with the difference of 1 point. The girls from P6 and P7 took part in the Malachy McGeeney Cup in the Athletic Grounds in County Armagh, which they came runners up in. The boys also participated in a blitz held in St Paul's High School, Bessbrook and took home the 1st place cup.

Thank you to Mr McKee who organised the training and trips to these blitzes and well done to everyone who participated!

Walk to School Week

Walk to School Week was from Monday 15th to Friday 19th May. Lots of children from P4 – P7 participated . We met at Costcutter at 8:25am and left at 8:30am.

It helped our environment and it helped to also keep us fit and healthy.

HAVE A LOVELY SUMMER!!!

Lost and Found

In our school we have a Lost and Found section outside the staffroom door. It has many items in it like snack boxes, jumpers, bags etc. If your child has lost or misplaced anything throughout the year ask them to check the Lost and Found. Any unclaimed items will be donated to charity at the end of June.
